I live in a beautiful village in the North of Iran. I work as a farmhand in an apple field . My parents died when I was a small boy. One day they went to the town to buy some necessary things But they never came back. My brother went to work at a baker's in Tehran. Now he lives there but I don't know his address. My uncle was very kind to me. He let me work in his field. He also sent me to a night school. It is quite far and I have to walk there. It is fun for me to work and study everyday.
